**GT Elektrotechnische Produkte GmbH is now known as FILOform GmbH.**

Dear Sir/Madam,

GT Elektrotechnische Produkte GmbH will be renamed on the 2019-11-28, and will be known as FILOform GmbH in the future. All contracts, rights and obligations of the GmbH remain unchanged.

The GT Brand will be still visible on all product packaging etc. and represented as "GT Elektrotechnische Produkte – A brand of the FILOform group". Only the name of the company is changing.

The GT product range will continue as before. However, it will benefit from the global presence and resources of the FILOform Group, and further expanded to offer a complete solution for the glass fibre technology market.

We look forward in continuing to be of service to you in the future.

Best regards
